## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 29,31,33-36,38,50-53 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant's arguments and amendment submitted 08/29/06 have been fully considered and are persuasive. The prior art cited does not anticipate individually nor teach in combination the following limitations:
  - An automotive trim panel, comprising: a light transmissive cover layer having a front surface and a rear surface, a plurality of light pipes each having a first end and a second end, and a light source, wherein said first end of each of said light pipes is positioned adjacent to said rear surface of the cover layer and each of said second ends are positioned adjacent said light source wherein the cover layer further includes a foam layer, wherein said plurality of light pipes are molded in place with the foam layer wherein said foam layer extends between said light pipes and wherein the light pipes are a fiber optic.
  - A method of back lighting an automotive trim panel, comprising: forming a light transmissive cover layer having a front surface and rear surface, providing a plurality of light pipes each having a first end and a second end, and a light source, wherein said first end of each of said light pipes is positioned adjacent to said rear surface of the cover layer and said second end is positioned adjacent said light source wherein the cover layer further includes a foam layer, wherein

the light pipe-is pipes are molded in place with the foam layer wherein said foam layer extends between said light pipes.

- In particular a motivation or a teaching was not found to combine the columns of Kluser functioning as a light pipe with a fiber optic as recited in claim 29. With regards to method claim 50, Kluser is not considered to teach the step of molding the light pipes in place with a foam material extending between the light pipes,. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
